Work experience

animation | Video editing Mar 2018 - Jul 2024
freelance, jordan

With seven years of experience in animation and video editing as a freelancer, I have developed a wide range of artistic and technical skills that have enabled me to deliver high-quality creative projects for various clients. Throughout my career, I have collaborated with numerous companies and individuals to provide comprehensive visual solutions that meet and exceed their expectations.

animation May 2020 - May 2022
winter pharmacy, amman

With two years of experience in animation and video editing at a beauty center, I was responsible for creating engaging and innovative visual content to promote the center's services and products. Through my work, I developed advanced artistic and technical skills that helped improve the quality of visual content and increase customer engagement.

2d | 3d animation , vfx | cgi , video editing Mar 2023 - Mar 2024
36 agency, amman

I have one year of experience in 2D | 3D animation , vfx , cgi , and video editing with Thirtysix. I worked on creating dynamic and engaging visual content that reflects the company's vision and values. During this time, I developed my skills using the latest technologies and tools to enhance content quality and effectively achieve client goals

art director | 2d | 3d animation , vfx | cgi , video editing jun 2023 - oct 2024
ward production, amman

I have experience in 2D | 3D animation and video editing with ward production. In this role, I focused on creating dynamic and compelling visual content that aligned with the company's vision and values. Throughout my tenure, I developed advanced skills using the latest technologies and tools to enhance content quality and effectively meet client objectives.

video editing | animation Jan 2022 - Jan 2023
real state, Dubai

I have one year of experience in animation and video editing within the real estate sector. My responsibilities included creating innovative and captivating visual content to promote properties and estates. During this period, I developed my skills in designing, animating graphics, and video editing using the latest tools and technologies. I enhanced the visual content quality and increased the appeal of promotional materials effectively for clients.

3D designer jul 2025 - present
philadelphia solar

At Philadelphia Solar, I handle a wide range of creative and visual production tasks that go beyond 3D design. My responsibilities include developing high-quality 3D models, animations, and renderings, as well as creating marketing visuals, exhibition content, and technical design presentations. I collaborate with multiple departments—engineering, sales, and marketing—to ensure that all visual outputs effectively support the company's objectives and brand identity. From designing promotional materials to producing motion graphics and technical illustrations, I contribute to delivering impactful content across all platforms. This role allows me to continuously expand my creative and technical skills while playing an integral part in representing Philadelphia Solar on a global scale.
